Icons or Illustrations from Reshot can be used in:

- Social Media posts
- Online marketing ads
- Educational projects
- Commercial projects
- Editorial projects

Items under the Reshot Free License can be used in your commercial and non-commercial projects, for free.

You're granted a copyright license to download, copy, modify, distribute, publicly perform and broadcast the Items. Your rights are non-exclusive, worldwide, sub-licensable and ongoing. Attribution is not required, however, we would appreciate it if you credit Reshot where reasonably possible.

The Reshot Free License remains valid in perpetuity for downloaded photos used in your current projects.

There are some important limits to these rights, described in our [User Terms](#).
